Battle Ground on the Bay of San Jacinto 22d Apl 1836

William H Jack of the Columbia Company commanded by Capt Patton was a volunteer in my company of Cavalry, on the day of the 21st inst. when the enemy was charged by a division of Cavalry under the Command of Col Sherman. on that occassion Col Jack charged with the center division, acquitting himself in a most handsome & Gallant manner.

(signed) Wm H G Smith
Capt of Cavalry

William H Jack has been a member of my company since the arrival of the Army on the Colorado: during which time he has faithfully and zealously performed the duties of a Soldier. On the Battle of the 21st he was with the Company in the left division commanded by Col Sherman and on that glorious occassion, his conduct shewed him to be a Soldier and a Texian.

His health being bad and his family unpleasantly situated, I earnestly request the General to grant him a discharge or a Furlough at discretion

(signed) Wm H G. Patton. Capt.

The facts stated by Captains Smith & Patton come within my knowledge and I join with Capt. Patton in requesting a discharge for him (Col Jack)
