The State of Texas } To the Hon. the
County of Bexar } Commissioner of the Board of Claims.

Your Petitioner Juana de la Garza Falcon, and Michaela Curbelo the first being the widow and the second the daughter and sole heir at Law of Juan Andre Curbelo demand respectfully represent unto your Honor that their aforesaid husband and father, was born in the City of San Antº and resided at that place up to the year 1819 when he married Juana de la Garza, one of your petitioners, that at the date of the declaration of Indepᵗ, he was a resident citizen of Texas, a married man and the head of a family and as such entitled to a first class Headright certificate for one league and one labor of land, that he did not leave the Country at any time up to the date of his death that happened in the City of San Antonio, in the year 1852, that he chiefly did not leave the Country during the spring of the year 1836 to avoid a participation in the struggle that he did not refuse to participate in the war, that he did not aid or assist the enemy.

Your petitioners do truly believe that their aforesaid husband and father never received the league and labor of land to which he was justly entitled and that he got only a second class Headright certificate for 1280 acres and that therefore they your petitioners are justly entitled to the difference to wit: to 3325 acres, for which they actually apply before your Honor.

And as in duty bound,

They will ever pray &ᶜ
