Gilmer August 28th 1852

Hon. Stephen Crosby. Comr. Gen L. Office

Sir in closed you will See a Sketch of Surveys that by contiguous to Survey No 4. there is no confliction on the ground. the Survey called for is marked H.W. Main Cypress runs through them as represented of the Map. the Sketch Sent me as a copy of Titus county is not properly connected the Survey marked Andw. Cootes. is adjoining a Survey made for Hugh Allen. Survey No 23 conflicts with Survey No 2 & 1. the connection of Survey No 1. to No 24 from the N.W. cor of No 24 to S.E. cor of No 1 B Poter N 5° 8 W 175 Vrs the dotted lines Show the confliction Survey No 4 is located on an old Survey made in 1838. and rejected. not long Since I inclosed a H.R. Certificate and Sent it to the Gen Land Office for inSpection and also propounded Some questions in relation to Some claims which located. an answer to the Same will be thankfully Recieved. at Some convenient time I will Send out a New Map of Upshur county which will obviate the necesity of making Sketches for the New Surveys and there has been Some change made in several Surveys.

Yours very Respectfully

J M Glasco
