Analysis

The Department of Aging and Disability Services utilizes this site located on the east side of SH 36 at the end of Preston Road in the northwest part of Richmond as a state supported living center. The site is improved with 43 buildings on 120.40 acres (Parcel A). An additional 96.39 acres (Parcel B) are unimproved excess land 30 acres of which is located in the 100-year flood zone and not likely to be developed. The remaining 66.39 acres are located in the upland buffer area. The surrounding land uses include residential and commercial development, agricultural land, and some vacant land.

The appraisal indicates the highest and best use for Parcel A is to continue in the present use. Parcel B (96.39 acres) was recommended for disposition on the 2005 and 2007 Governor's Report and was not disapproved.

GLO Recommendation:

Retain Parcel A for continued agency operations and dispose of the unused Parcel B if no longer needed.

Analysis

The Department of State Health Services utilizes this site as a health and medical facility. It is located on Rangerville Road (FM 1479), on the south side of Harlingen. The site is improved with 23 buildings, chain-link fencing, security lights, and asphalt parking. The surrounding land uses include residential, school, commercial, and governmental developments.

The improved portion of this site is well suited to the present use, and the current use corresponds with the highest and best use. However, the southwest portion of this tract contains approximately 20 acres that are vacant. In 2001 the Governor approved the disposition of the tract. The agency has stated that it has plans for development of the underutilized tract and pending the presentation of those plans, the GLO recommends disposition of the underutilized acreage.

GLO Recommendation:
Retain the Parcel A containing 58.18 acres for continued agency operations. Sell or lease the unused 20 acres in Parcel B.

Texas General Land Office

Texas Health and Human Services Commission

Analysis

The Department of Aging and Disability Services utilizes this site as a state supported living center for the care and treatment of the mentally and physically handicapped. It is located along both sides of US HWY 87 in Carlsbad. The site is improved with 79 buildings, a cemetery, and asphalt parking. The surrounding land uses include rangeland, residential and recreational developments. Currently, there is a surface lease approximately 975.66 acres (Parcel A) and the living center is on 55 acres (Parcel A). There are two town lots consisting of 0.32 acres (Parcel B) that served the campus with a water storage tank and pump house, which is not needed now.

The appraisal indicates the highest and best use is for Parcel A to continue in the present use and Parcel B for residential development. DADS and the GLO recommends the sale/lease of the underutilized property of Parcel B.

GLO Recommendation:

Retain 1030.66 acre (Parcel A) for continued agency operations. Dispose of 0.32 acre (Parcel B).

Analysis

The Department of State Health Services utilizes 48.79 acres of this site as a youth center. It is located along North 19th Street and Park Lake Drive in Waco. The site is improved with 43 buildings, campus lighting, perimeter fencing, and asphalt parking. The surrounding land uses include residential and commercial developments. There is a McDonald's Restaurant leasing 0.85 acres of the property that is not included in the value of the site.

The appraisal indicates the highest and best use is to continue in the present use on the 49.64 acres. Currently, a 0.75 acres is being offered for sale by the Texas General Land Office. This acreage was presented on the 2007 Report to the Governor and was approved to sale.

GLO Recommendation:

Retain 49.64 acres (Parcel A) for continued agency operations. Dispose of 0.75 acres (Parcel B).

Current Use: Vacant
Highest and Best Use: State Correctional Academy
Agency Projected Use: State Correctional Academy

The Texas Department of State Health utilizes this site as a state correctional academy. Currently, it is vacant from the recent transfer from TYC to the HHSC. It is located along FM 433 in Vernon. The site is improved with 20 buildings, chain-link fencing, and asphalt parking. The surrounding land uses include agricultural and residential developments. A reversion clause calls for the return of the property to the grantor if not utilized as a state health facility.

The appraisal indicates that due to the reversion clause the highest and best use is to continue in the present use.

Recommendation:
Retain for continued agency operations. Dispose if no longer needed.
TEXAS JUVENILE JUSTICE DEPARTMENT AGENCY SUMMARY
Texas Juvenile Justice Department

Texas General Land Office

Agency Summary

Background/Authorities

The Texas Juvenile Justice Department (TJJD) administers the state's correctional facilities for children ages 10 to 19. The Departmental goal is to create a unified state juvenile justice agency that works in partnership with local county governments, courts, and communities to promote public safety by providing a full continuum of effective supports and services to youth from initial contact through termination of supervision.

Pursuant to Senate Bill 653 of the 82nd Legislature, the Governor appointed 13 members to the newly formed Texas Juvenile Justice Board naming Scott Fisher as Chairman. The agency was created by the merger of the Texas Youth Commission and Texas Juvenile Probation Commission and is designed to better promote juvenile justice efforts in coordination with other state and county offices to produce positive outcomes for youths, their families and communities.

Under the direction of the Executive Director hired by the board, the agency is responsible for managing:

- Eight high-risk maximum restriction facilities; two of which are close
- Nine halfway houses
- Two trust properties (one property, the Parrie Haynes Trust, is divided into three tracts across two counties).

The Executive Director makes decisions relative to departmental operations including disposition of real property.

The sale of agency properties is also regulated by Texas Natural resources code, Chapter 31.158, et seq., which requires that all sales be authorized by the legislature and administered, unless otherwise directed, by the General Land Office (GLO).

Mission

The mission of the Texas Juvenile Justice Department is to create a safer Texas through the establishment of a continuum of services that promotes positive youth outcomes through:

- Organizational excellence and integrity that earns and promotes public trust;
- Evidence-based performance and accountability that produces results;
- Collaboration and teamwork that builds on partnerships with youth, families and local communities; and
- Innovation and technology that results in efficient systems and services.

Real Property Assets

TJJD manages 10 sites located on agency-owned land totaling 5,184.161 acres. TJJD additionally manages nine half-way houses located on privately
owned land that are leased to the agency.

TJJD currently serves as trustee for two charitable trusts which include real property of over 4,230 acres.

**ASSET DESCRIPTION**

TJJD-owned land is located throughout the state. Sites range from 1.56 acres to 2,875.63 acres. Generally, properties are situated in suburban or rural areas near small communities. The surrounding land is typically utilized for agricultural development, with occasional rural homesites and isolated small commercial operations. Appraised facilities were found to be in good condition. The majority of the improvements fall into four categories: housing, training, medical and education, and administrative and physical plants. Except for correctional institution operations requiring similar facilities there is a limited alternate use market for these buildings.

TJJD uses much of its non-trust property to support agency operations. The GLO acknowledges the need for a sufficient amount of buffer from other private holdings. In some cases however, the agency is not utilizing large amounts of acreage, and is maintaining two closed facilities at Beaumont and Crockett.

**GLO RECOMMENDATIONS**

The GLO recommends disposition of the TJJD Al Price State Juvenile Correctional Facility (50.23 acres), and Sheffield Boot Camp (23.80 acres).

**AGENCY COMMENTS**

TJJD concurs with the disposition of the Al Price Juvenile Correctional Facility and Sheffield Boot Camp.

**TEXAS FACILITIES COMMISSION COMMENTS**

No comments were received from TFC regarding TJJC properties.

Analysis

The Texas Juvenile Justice Department utilizes this site as a juvenile correction facility. It is located along the west side of U.S. Highway 69 on FM 3514 in Beaumont. The site is improved with 15 buildings, exterior security lighting, perimeter fencing, and asphalt parking. The surrounding land use includes vacant land and governmental developments.

The appraisal indicates the highest and best use is to continue in the present use. However, the agency has indicated they no longer need this site and have targeted it for sale. GLO concurs with this decision.

GLO Recommendation:

The GLO recommends the sale/lease of the underutilized property.

Total Market Value: $362,000

The Texas Juvenile Justice Department utilizes this site for agricultural grazing. The land is held in trust by the agency as per court order for the benefit of the orphans of Texas and currently leased for grazing. The tract is located on CR528, approximately miles south of the city of Milano. During the period of the lease, proceeds were used to fund educational benefits for orphans identified through various mechanisms. There are no improvements to the site.

Due to the status of the court ordered trust and the limitations with regard to a possible disposition of the property, the GLO is not able to make a recommendation regarding utilization, retention or disposal.

Recommendation:
GLO is not able to make a retention or disposal recommendation.

Total Market Value: $3,265,000

The Texas Juvenile Justice Department manages this property as trustee for the benefit of the orphans of Texas. The site is leased to two entities, a McDonald's Restaurant and a miniature golf vendor. Proceeds are used to fund educational benefits for orphans identified through various mechanisms. A condition of the trust prohibits sale of the property.

Due to the status of the court ordered trust and the limitations with regard to a possible disposition of the property, the GLO is not able to make a recommendation regarding utilization, retention or disposal.

Recommendation:
GLO is not able to make a retention or disposal recommendation.
TEXAS WORKFORCE COMMISSION
AGENCY SUMMARY
Texas General Land Office

Texas Workforce Commission

Background/Authorities

The Texas Workforce Commission was created September 1, 1995 by the 74th Legislature with the passage of House Bill 1863. Prior to this Act, the agency was known as the Texas Employment Commission. The creation of the Texas Workforce Commission (TWC) consolidated all workforce-related programs in one agency. In addition to the workforce and welfare-related programs, the TWC administers Texas’ Unemployment Insurance and Labor Law programs. The legislation also established 28 statewide local workforce development boards consisting of county elected officials, employee representatives, and representatives from local employers.

Three commissioners are appointed by the governor to staggered six-year terms. An Executive Director supervises the Commission from the Austin headquarters.

The mission of the TWC is to promote and support a workforce system that offers individuals, employers and communities the opportunity to achieve and sustain economic prosperity.

By authority of the Texas Unemployment Act, Article 5221, the Federal Social Security Act, and with the approval and appropriation of the legislature, TWC may purchase and sell real properties for its own use.

Real Property Assets

At the time of the appraisal of agency properties, TWC owned 28 tracts totaling 36.88 acres. In addition, the agency leases many properties across the state. For this report, the GLO appraised and analyzed market values of the owned tracts. Agency leased properties were not evaluated.

State headquarters provides general administrative, governmental, record keeping, and support services for the local workforce development boards. The state headquarters properties are located near the Capitol Complex in Austin.

GLO Recommendations

The GLO recommends that sixteen sites be considered for disposition in accordance with individual evaluations in this report; the Grand Prairie Tax Appeals undeveloped land parcel, Amarillo Workforce Center, Austin Guadalupe Building, Brownsville Workforce Center, Grand Prairie Parking Lot, Harlingen Workforce Center, McKinney Workforce Center, Marshall Workforce Center, Mount Pleasant Workforce Center, Nacogdoches Workforce Center, San Antonio UI Tele-Center, Sherman Board Administrative and Tax Office, Temple Workforce Center, and the Waxahachie Workforce Center.

GLO recommends the remaining sites be retained by the TWC for continued agency operations.
AGENCY COMMENTS

All agency comments and updates have been incorporated into the evaluation.

TEXAS FACILITIES COMMISSION COMMENTS

No recommendations were received from TFC regarding TWC properties.
