Texas Land Grant

No 175 640 Acres of Land

Certificate of title to Six Hundred and forty acres of land

Know all men, That in consideration of a loan to the Government of Texas, negotiated by the Commissioners of said Government in New Orleans on the eleventh day of January 1836. Asahel Peterson of Cincinnatti Ohio is entitled to have and to hold Six Hundred and Forty acres of land of the Public domain of Texas, according to the terms and conditions of a Contract of Compromise made and entered on the first day of April 1836, between the Government ad interim of Texas, and the Stockholders in the aforesaid loans and of the act of Congress for fulfilling and carrying into effect the said Contract of Compromise, approved the twenty fourth day of May 1838. This Certificate shall be authority for any duly appointed Surveyor to survey at the expense of the holder thereof, any land belonging to the Government of Texas, that may be selected by the said holder at any time after the first Thursday in August next. And should the same be located on any land to which the Government of Texas has not the prior right it may be removed and laid on other land when the holder of this Certificate shall file the same, together with the boundaries or field notes, of the land intended to be covered by it in the General Land Office, a title or patent, for the same shall issue to the said his heirs or assigns in the usual form.

In Testimony Whereof I Sam Houston President of the Republic of Texas, have hereunto set my hand at the City of Houston, this twentieth day of June in the year of our Lord Eighteen hundred and thirty eight, and of the Independence of Texas the third
