Sir

Your favor of recent date is at hand & I will examine papers on file. You will ascertain that my connection with the matter referred to was as agent and attorney acting under a power of attorney My agency as to that particular matter has ceased & the certificate no 22/201 has been delivered to the parties whom I represented and they as I understand long before any dispute about their boundaries called it to an immediate purchaser & they claim and my opinion can prove that they are the bona fide heirs of Mrs Thompkins deceased the original grantee & and that the heirs of Saml Strickland had no claim whatever on said certificate & the papers having passed out of my hands & channel of evidence

Comply with your request to return them.

Regretting that at this late date, any trouble should arise about the certificate, and referring you for further information to the parties for whom I acted and to A. G. Pickett Esq of this place, I remain

Very Respectfully

San Augustine June 28. 1878

To the Commissioner of the
Genl Land Office of the
State of Texas
Austin
Texas

The undersigned
Citizens of San Augustine County Texas
who are actual Settlers upon the
forfeited Spanish Claim of John
Cartwright in the said County of
San Augustine about six miles N. E
from the Town of San Augustine
Texas. beg to enter this pre-emption
against the same being patented to any one
other than the actual Settlers as aforesaid.
For the following reasons to wit-
1st.
That some Years ago. J. K. Williams
filed the Headright of Wm Humphrey
and caused a Survey to be made to
be returned with said Certificate to the
Genl Land Office the same having
been filed upon the aforesaid Cartwright
eight Claim. Your applicants state
positively that no actual Survey was
made upon the ground. That the lines
were not run and marked out by

the Surveyor as stated in said Field Notes.

2d. Because the ownership of the said Humphrey Certificate was established according to Law by other parties than the said J. K. Williams & that a Certificate for the unlocated balance of said Certificate not including the location on the aforesaid Castro right forfeited Spanish Claim, has been issued and delivered by the Commissioner of the Genl Land Office to a Mr. M. J. West. Thus leaving the said forfeited Spanish Claim subject to entry.

3d. Because the Commissioner of the Genl Land office, advised by letter a Citizen here. that the location of the Wm Humphrey Certificate in this County had been abandoned. and that the Land upon which it has been filed was subject to entry. and that this Claim was settled upon by the undersigned under the advice of the Commissioner of the Genl Land Office as aforesaid. for these and other

reasons the undersigned protest against the said Certificate being refused upon the said Forfeited Spanish Claim and especially against the issuance of any Patent by Virtue thereof.
