Mr. Wm. Schuenmann,

Cypress Top, Texas.

Dear Sir:

I am returning you herewith application and field notes, together with connecting lines and explanation, covering a survey made for you in Harris county under the act of February 23, 1900, for the reason that these papers cannot be filed in this office until one dollar filing fee has been deposited here. This being a new set of field notes and a new application, the papers must be considered as original field notes and application for a survey under the act of 1900.

I am also enclosing you herewith a pencil memorandum, which covers the ground fully, and from which you will see that there appears to be no vacancy for your claim. However, if you wish to pursue the matter further and will return the papers herewith enclosed, together with the pencil memorandum I am sending you for your information, and one dollar filing fee, the matter will again be taken up and passed through the regular channels. There, however, appears to be no vacancy for your claim as shown by the field notes which I am returning you herewith.

Very respectfully,
