Dear Sir:

The application for survey and field notes which were received from you on August 6th have been filed under our SF 13698, and are now being passed to the examining draftsman for attention.

In the meantime, let me call your attention to the fact that there is nothing among your papers to indicate the nature of your application to purchase, that is, whether or not you are applying to purchase this area under a preference right given you under either section 5 or section 6, or whether you are applying to buy it under straight appraisement provided for under section 6. Applicants under section 5 should see to it that their application to purchase accompanied by the purchase money is received in this office within six months from the date of the discovery of their mistake in occupying the land as their own.

Very truly yours,
