1892

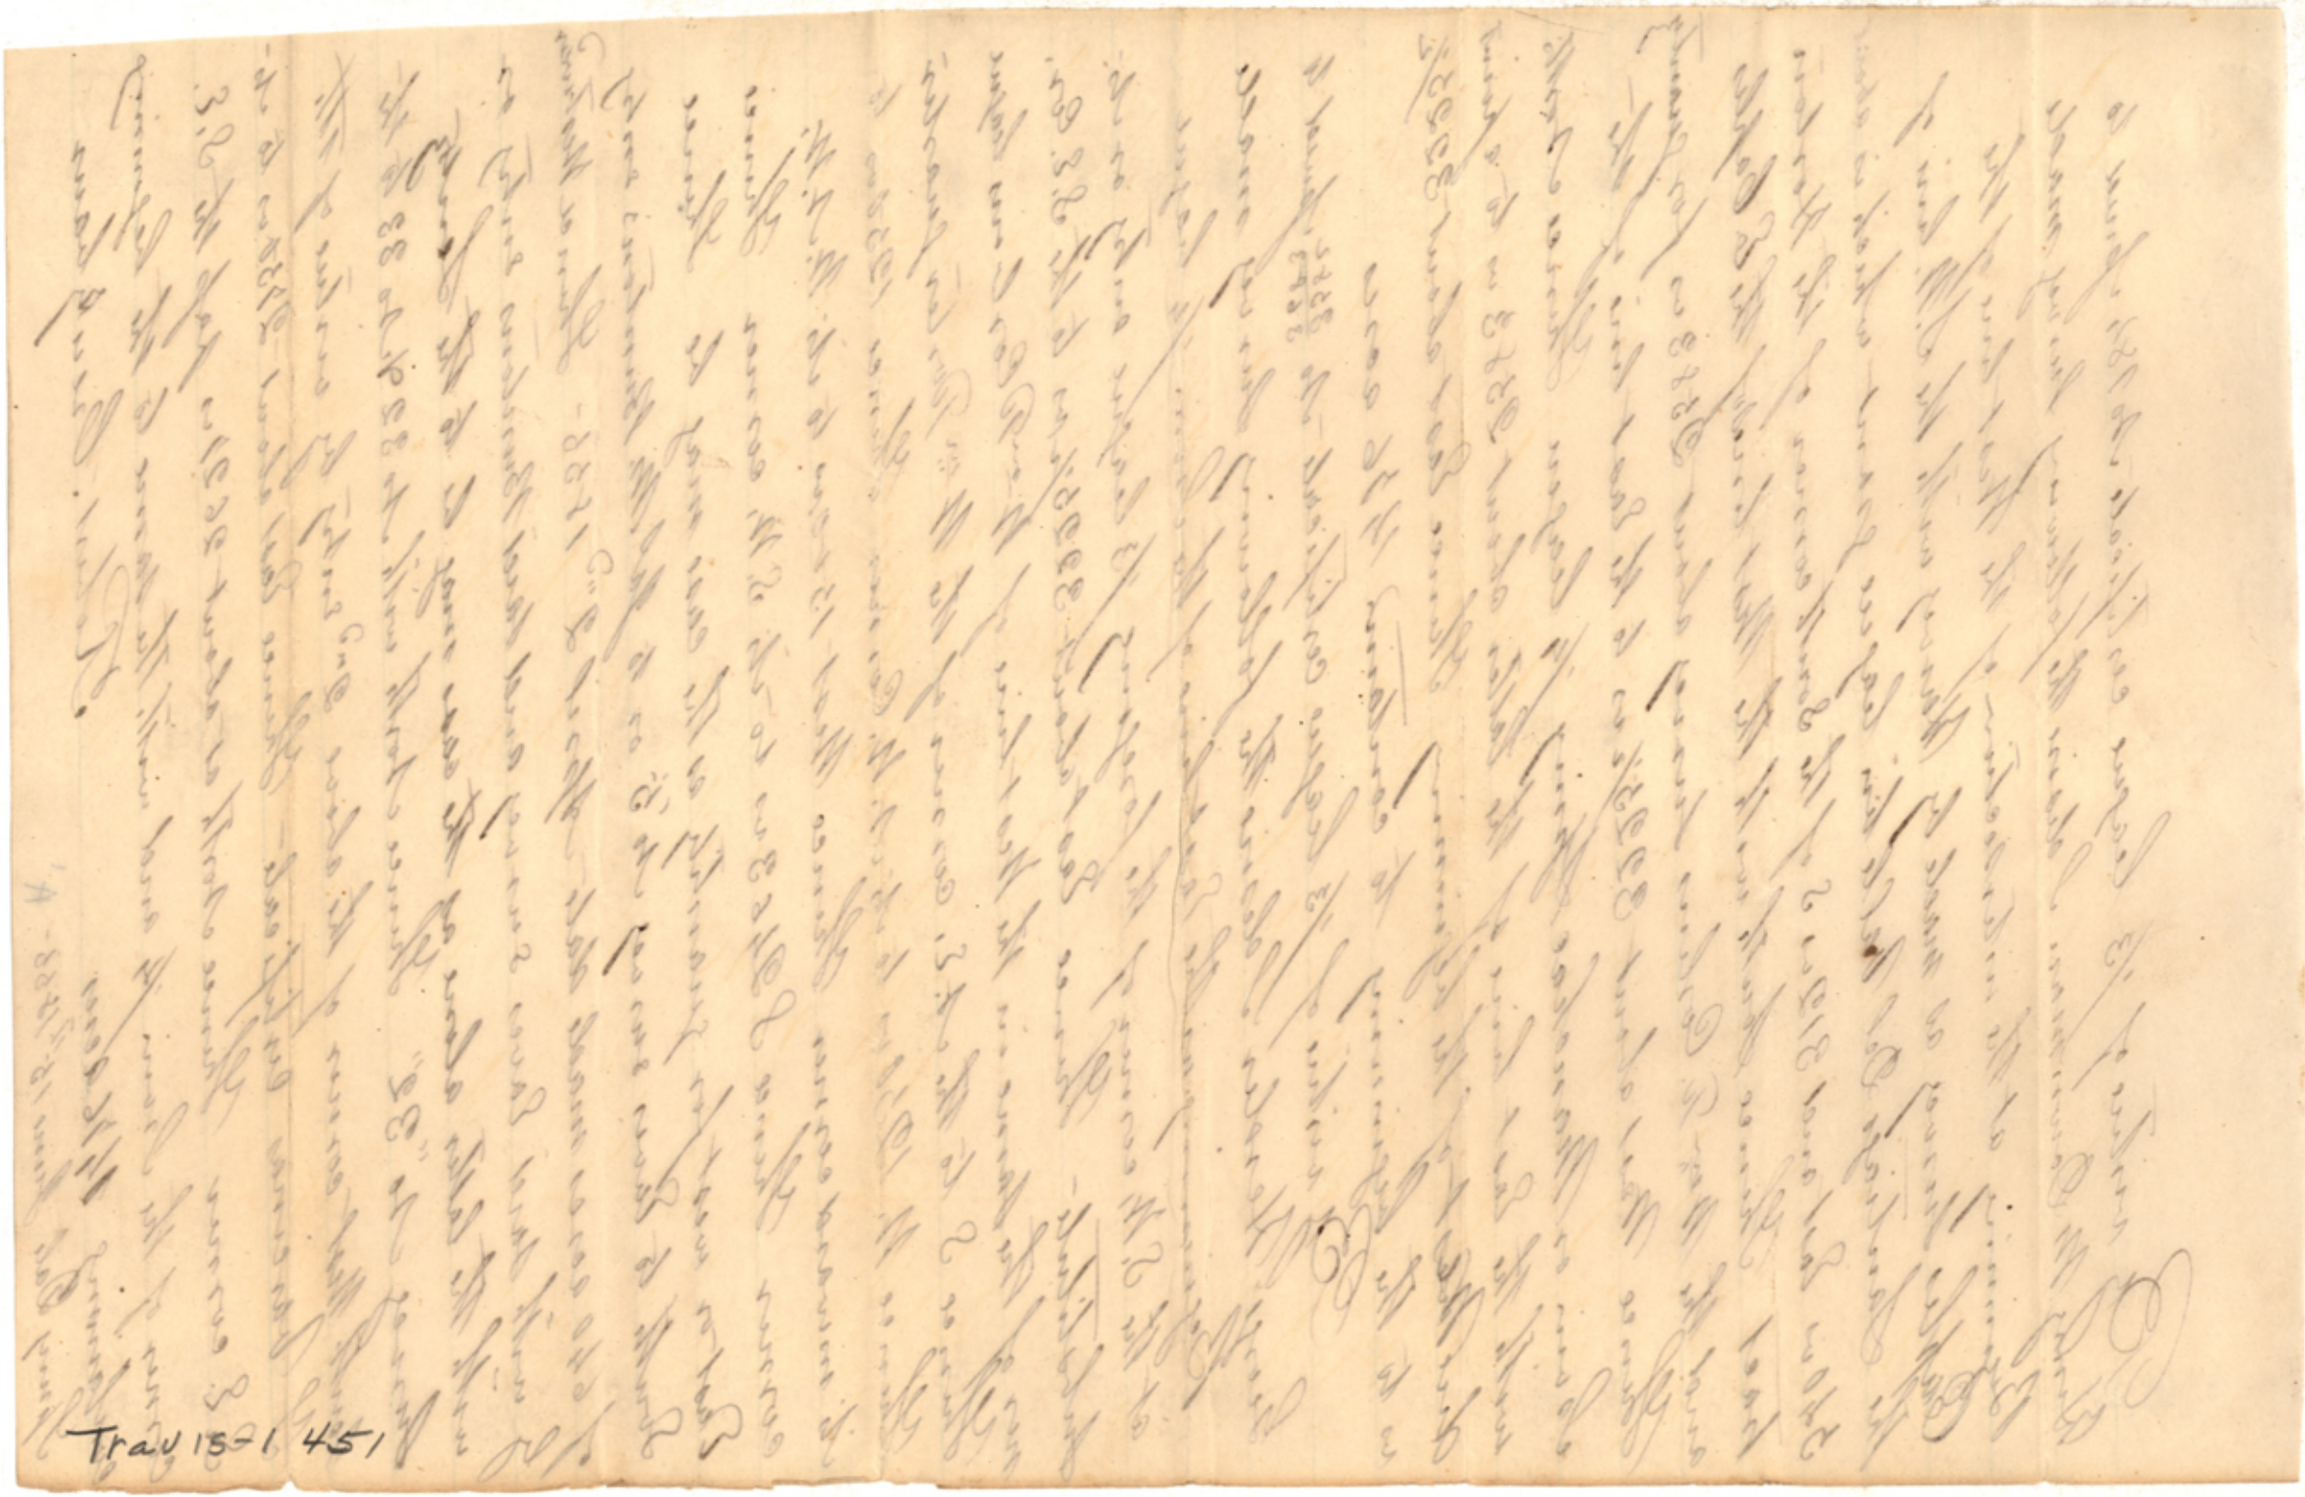
By virtue of 1/3 league certificate No 184 issued to Wesley M Downman. I desire the following survey made Beginning at the intersection of the West line of the Caples Survey as made by Harvey with the S.W. line of the Santiago Del Valle six league grant which is about 340 vs East and 312 vs S of the South corner of the Horton tract Thence South with the West lines of the E. Caples and the Wm D. Corbin survey about 2583 vs for quantity Thence West about 3225½ vs to the East line of the Irwin or Manchac Spring ¼ league Thence North with the East line of the latter about 2583 vs to a point due West of the beginning Thence East about 3225½ vs to the beginning to contain 1476 acres

By virtue of 1/3 league certificate No $\frac{3582}{3683}$ issued to Georg Hessler I desire the following survey made

Beginning at the East line of the Irwin ¼ league at the S.W. corner of the foregoing 1/3 league entry or its substitute Thence East about 3225½ vs to the S.E. Corner of the same in the West line of Wm D Corbins league Thence S to the S.E. corner of the Wm Porter quarter Thence W. 1250 vs to its S.W. Corner Thence 1250 vs to its inward corner Thence West 1300 vs to its N.W. corner Thence S 2463 vs to its S.W. corner Thence East or west for quantity as the case may be Thence South to Eaves survey No "5" or to Jas M. Buntons entry of 640 acres made date April 2nd 1856 Thence Westwardly with said Eaves survey and said Buntons entry or with the latter alone as the case may be to the South Survey No "32" Thence North with No 32 & No 33 to the South West corner of the above 2nd entry by virtue of the J Barcinas certificate Thence East about 2730 vs to its S.E. corner Thence North at about 2627 vs pass the S.E. corner of the Irwin ¼ and with the same to the beginning containing 1476 acres

Robert Creighton

Spring Dale June 15th 1883 A'



Trav 15-1 451

Beginning at the S.E corner of the foregoing entry by warrant No 1392 Thence S to C— S.E. corner Thence East for quantity Thence North to S line of said Bunton entry Thence West to the beginning.

Whereas the above named entry made by Jas. M. Bunton under date April 2nd 1853— may be construed not to run East to the West line of the Eaves survey No 5 but to run in a square in that case the above entries by Certificates No 1311 & cert No 1392 and Cert. No $\frac{3983}{4084}$ are to read thus By virtue of certificate No 1311 issued to Thomas G. Allin to be surveyed beginning at the S.E. corner of said entry of Bunton Thence North to its N.E. Corner Thence East for quantity Thence S to J. A Black's entry by Cert No 21 of Lorenzo Lorto Thence West to the McCarver league and North to the S.W. corner of said Bunton entry and East to the beginning to contain 574 acres of land the unlocated balance of said certificate— By Certificate No 1392 issued to Bryant Humphries to Begin at the SE corner of the foregoing entry Thence East to the Eaves Survey. Thence N for quantity Thence West & South to the beginning to contain 210 acres of land this amount being the unlocated balance of said certificate— Certificate No $\frac{3983}{4084}$ issued to Horatio Reyes for 640 acres of land to be surveyed to Begin at the N.W. corner of the foregoing entry Thence North for quantity or to former legal surveys or entries Thence East to a point due North of N.W. corner of the Eaves survey Thence South and West to the beginning.
