Note. I went to survey these
Lands and he Smith informed me
that the Surveys No of 57 and
58 was the Surveys intended
to be Surveyed and that Mr
Brown had never Surveyed
them that he was fearful
that Suiter would lose
them. I have made the
Survey and you will
See the solution in
the Field Notes that
accompany this Application the facts as plain it was a fraud on Suiter And Smith was represented As a Chain Carrier

I am Sorry to so inform You that I found No Corners or bearings On the Surveys that have been Called for.

Respectfully I am Yours

Enoch Moore

To Crosby Commissioner
Of the General
Land Office.

Mr Enoch Moore Sir you will please to resurvey the
Tw Sutor Surveys that lie on the waters of Bear
Creek So as to make the lines and corners to correspond
as near the Survey in the Deputy Brown as the Law set forth
in his Certified field notes and send to the
General Land office this Survey to be done by
you as the Survey or for the No and Page
of each Certificate you see the papers on file
or the Registration of the same in the file Book
and by so doing you will confer a favour
On the undersigned as the Agent of
Tw Sutor March 26 1847.
