In reply to
your Letter to Mayor Ed
Bingham of date Apl. 30th
I would that the Stewart
Lease. begin on the South
Reach you make mention of
2nd Ly. that the Space
indicated on the plat
between the Stewart + King
and Downer East as per
plat. King + Downer
does not Cock to Connect
with the Stwart
3d Ly. If the Stwart begin
on the North Reach. the
Stwart would Conflict there
by as with King + Downer
The Stewart would not
like King + Downer with it
if located. The result would
be Conflict, and no
Conclusion. I am by
the Opinion that the
boundary East as per
plat + Deed runs of
the Lakeview. Lakeview
