Land Scrip.

640 Acres.

State of Texas. --- General Land Office.

THIS CERTIFICATE entitles the

Gulf, Colorado and Santa Fe Railway Company

To Six Hundred and Forty Acres of Land, to be located upon any of the vacant and unappropriated public domain of the State of Texas, in accordance with the provisions of an act entitled "An act to Encourage the Construction of Railroads in Texas by donations of Land," approved January 30, 1854, and acts amendatory thereof; and in accordance with the provisions of "An act to incorporate The Gulf, Colorado and Santa Fe Railway Company, and to grant land in aid of the construction of the same," passed May 28, 1873, information having been received, as required by said acts, that said Company has completed a section of Fifty-One Miles and 2960 feet of their road.

The lands granted to said Company are to be located in alternate sections, and surveyed in the following manner:

First. Two sections of land adjoining and connecting with each other must be surveyed, one for the State and the other for the Company

Second. The surveys to be made square, unless prevented by previous entries or navigable streams.

Third. The Commissioner will select and number the surveys and report the result to the Surveyor, who will fill up the blank left in his record for that purpose, accordingly. (As a matter of convenience in describing the surveys, when reporting the number the Surveyor should number the field notes temporarily, in pencil.)

Fourth. In dividing the surveys a fraction of over three hundred and twenty acres will be counted as a whole section, and two fractions of less than three hundred and twenty acres will be regarded as a section.

Fifth. The even numbers will be reserved to the State, and the odd numbers to the Company.

In Testimony Whereof, I hereunto set my hand and affix the Seal of said Office this nineteenth day of October, A. D. 1880,

H. C. Wash
Commissioner.

The State of Texas,
