## Interment Packet

### Funeral Homes and Family Members:

This packet has been constructed to ensure funeral homes and families receive the highest level of efficient processing of interment applications and other services provided by the Texas State Veterans Cemeteries.

All documents contained in this packet must be filled out and signed by the next of kin or designated representative of the family/funeral home. All previous versions (dates prior to NOV 2023) of Interment Applications and Monument Worksheets are obsolete and *may* not be accepted by cemetery staff. Using obsolete versions of these forms may result in delayed processing of interment application packets.

The monument worksheet is a vital document required to order the headstone/marker/niche cover from the Veterans Administration. In an effort to order headstones/markers/niche covers in a prompt and timely manner, as well as reduce the number of headstones/markers/niche cover reorders, we ask that you please take the time to complete this very important document during the interment application process.

Once the Interment Application and Monument Worksheet have been completed and signed, please forward all documents to cemetery staff for processing within 48 hours of scheduling the service date and time.

**Note:** This packet contains the most current Texas Veterans Land Board and Veterans Administration documents for processing interment requests. Additionally, information and instructions regarding eligibility and what documents are required for interment at the Texas State Veterans Cemeteries is included in this packet.

### Eligibility:

There is no requirement for the Veteran to be a Texas native or to be retired from military service; however, the discharge must be under honorable conditions. The eligibility rules for the State Veterans Cemeteries are the same as those for the VA National Cemeteries. DD Form 214 or discharge documents are used to verify service times, rank, branch of service, and awards and medals for the Veteran. To ascertain eligibility, please review the regulations on the VA website, call a VA Benefits Counselor toll free at 1-800-827-1000, or contact a Texas State Veterans Cemetery Representative at any of the locations listed below.

The spouse or surviving spouse of an eligible Veteran is also eligible under current VA guidelines. A copy of the spouse's military identification card, front and back (if retired) or a copy of the marriage license is required. If a marriage license is not available, a notarized statement signed by both husband and wife must be presented at the time of need. There are no burial fees for Veterans, spouses, and/or their eligible dependent children.

The Veterans Land Board owns and operates the cemeteries under VA guidelines with the continued coordination of VA benefits available to Veterans upon death. The VA provides to the Veteran free of charge the following service; opening and closing of grave or columbarium niche, grave liner as needed, headstone, marker, or niche cover, and a facility for committal service. Upright granite or marble headstones are provided for casketed burials and in-ground cremain areas. Flat granite or marble markers will be for in-ground burial of cremated remains and scattered ashes. Granite or marble niche covers are for columbarium interments. Granite or marble memorial plaques are available for scattered ashes, or for those Veterans whose remains cannot be recovered (i.e., Missing in Action, buried at sea, donated to science, etc.).

### **Obtaining Burial Flags and Military Honors for Deceased Veterans:**

Texas State Veterans Cemeteries are not able to schedule military honors or provide a burial flag for the service. This must be done by the Funeral Home, Next of Kin (NOK), other family member, or the decedent's personal representative (DPR) as deemed appropriate.

U.S. Flags are typically obtained by filling our [VA Form 27-2008](#), Application for United States Flag for Burial Purposes and taken to a local post office for issue. We have included the web link to this form for your convenience, just click on VA Form 27-2008 above.

**Note:** In addition to VA Form 27-2008, the post office will ask for a copy of the Veterans DD214 or military discharge paperwork and a copy of the Report of Death, Certificate of Cremation, or Death Certificate.

Several of the Texas State Veterans Cemeteries have a dedicated Military Service Detachment (MSD) that will perform military honors for Veterans interred there. You may coordinate with the funeral home or obtain the MSD's contact information from cemetery staff once the committal service has been scheduled and confirmation of date and time received.

A list of servicing military casualty offices that provide honors teams is listed below. You may contact the appropriate service branch to schedule honors for the Veteran once the committal service has been scheduled and confirmation of date and time received.
