## Pre-Registration Packet

### Eligibility:

There is no requirement for the Veteran to be a Texas native or to be retired from military service; however, the discharge must be under honorable conditions. The eligibility rules for the State Veterans Cemeteries are the same as those for the VA National Cemeteries. DD Form 214 or discharge documents are used to verify service times, rank, branch of service, and awards and medals for the Veteran. To ascertain eligibility, please review the regulations on the VA website, call a VA Benefits Counselor toll free at 1-800-827-1000, or contact a Texas State Veterans Cemetery Representative at any of the locations listed below.

The spouse or surviving spouse of an eligible Veteran is also eligible under current VA guidelines. A copy of the spouse's military identification card, front and back (if retired) or a copy of the marriage license is required. If a marriage license is not available, a notarized statement signed by both husband and wife must be presented at the time of pre-registration. There are no burial fees for Veterans, spouses, and/or their eligible dependent children.

The Veterans Land Board will own and operate the cemeteries under VA guidelines with the continued coordination of VA benefits available to Veterans upon death. The VA provides to the Veteran free of charge the following service; opening and closing of grave or columbarium niche, grave liner as needed, headstone or niche cover, and a facility for committal service. Upright granite or marble headstones are provided for casketed burials. Flat granite or marble markers will be for in-ground burial of cremated remains and scattered ashes. Granite or marble niche covers are for columbaria interments. Granite or marble memorial plaques are available for scattered ashes, or for those Veterans whose remains cannot be recovered (i.e., Missing in Action, buried at sea, donated to science, etc.).

This packet contains the necessary information to process pre-registration requests for burial in Texas State Veterans Cemeteries.

- Copy of Enlisted Record Brief (ERB) / Officer Record Brief (ORB) – (Active duty service members); **Note: a DD214 will be required once the servicemember exits active military service.**
