About the GALVESTON BAY FOUNDATION

The Galveston Bay Foundation (GBF) is a 501(c)(3) non-profit organization established in 1987 under the laws of the State of Texas. The mission of the Foundation is to preserve, protect, and enhance the natural resources of the Galveston Bay estuarine system and its tributaries for present users and for posterity. Its programs in advocacy, conservation, education, and research strive to ensure that Galveston Bay remains a beautiful and productive place for generations to come.

GBF's community outreach and education programs provide science-based education and activities focused on Galveston Bay. The goal of the programs are to develop a knowledgeable constituency, ranging from school children to public officials, which recognizes the positive quality-of-life benefits that a healthy Galveston Bay provides
