AUSTIN — Today, Texas Land Commissioner Dawn Buckingham, M.D. is pleased to announce that Texans can order their own Texas Adopt-A-Beach specialty license plate to help reduce litter on Texas beaches and provide coastal environmental education to Texas children.

This newly redesigned black and white specialty plate costs only \$30 more than a regular plate, and \$22 of plate sales go directly to support the Adopt-A-Beach program and is tax deductible.

Additionally, the license plate features a photo by Texas' own [Kenny Braun](#). Kenny's work has been featured in Garden and Gun, Texas Monthly, Wired, Southern Living, Texas Highways, This Old House Magazine.

Take a little piece of Texas with you wherever you go, and help the Texas-Adopt-A-Beach program keep our state's beaches beautiful with one small change. [Order a license plate today!](#)

For more information about the specialty license plate visit the Texas Adopt-A-Beach [website](#).

The Adopt-A-Beach program began in the fall of 1986 when 2,800 volunteers picked up 124 tons of trash. Since then, more than 567,000 Texas Adopt-A-Beach volunteers have picked up nearly 10,000 tons of trash from Texas beaches.
