AUSTIN — Today, Texas Land Commissioner Dawn Buckingham and the Texas General Land Office (GLO) invited families and the public to participate in the 2024 Texas Coastal Roundup. This free education and outreach event will provide Texans with an opportunity to learn more about how the GLO works with coastal organizations to safeguard and conserve the Texas coast.

The Texas Coastal Roundup will take place at the Great Lawn at Waters Edge Park in Corpus Christi on June 1, 2024 from 10am to 4 pm. This event will feature educational booths from several coastal organizations alongside food trucks, music, fun kids' activities and an address from Commissioner Buckingham.

Learn more about this unique opportunity by clicking on the image below to watch Commissioner Buckingham's special video:

You can sign up to participate in the Texas Coastal Roundup [here](#).
