

Western States Land Commissioners Association  
Conference, Winter 2015

Moderator & Game Show Host:  
Simone Westbrook Hall

## Work Group – Q&A

January 7, 2014 10:15-11:45AM

# QUESTIONS

1. What do developers need from government to streamline the permitting process to accomplish mission – consistent projects?

# QUESTIONS

2. How can states minimize ESA listing impacts through science and collaborative planning? What resources would you recommend for accomplishing this goal?

# QUESTIONS

3. What statutory or regulatory changes are necessary to streamline permitting processes?

# QUESTIONS

4. How can states address the process of determining the number of mitigation acres necessary to offset direct acreage project impacts?

Should there be standard calculations?
