

## **FREE EDUCATIONAL WEBINAR SERIES PLANNED FOR SUMMER 2016**

The Subsurface Committee, in conjunction with the Royalty Working Group, has planned a series of WSLCA educational webinars for the last Tuesday of each month. Following is the date and topic for each event, as well as the unique registration link. Seasoned industry veteran and Council of Petroleum Accountants Societies (COPAS) trainer, Salomon Tristan, will be conducting these informative sessions.

### **ABOUT THE TRAINER**

Salomon Tristan, CPA, APA, has 40 years experience working in the oil and gas industry. After graduating from the University of North Texas with a degree in Accounting, he worked 3 years for the State of Texas, 25 years for Sun, Oryx, Kerr McGee, then over 11 years for Denbury Resources. In his career, he has managed departments responsible for all facets of revenue accounting, including oil and gas revenue accounting, oil and gas off lease marketing accounting, NGL accounting, and gas plant accounting. He has also participated in the development and implementation of the SAP software. He retired from industry last year but enjoys teaching revenue accounting related courses. He has been a member of COPAS since 1984 and is past president of COPAS, as well as COPAS of Dallas.
