

JULY 9 – 13, 2017

ANCHORAGE, ALASKA

2017 Summer WSLCA Conference

Plan ahead and save the date. We expect to have a great agenda along with visits to Alyeska Resort and the Anchorage Museum with the Smithsonian Alaskan Native exhibit on display. The conference is a great place to kick off an extended vacation. The salmon will be running and there are tons of opportunities to see wildlife and glaciers. Bring your family.
