

Western States Land Commissioners Association

2018 Summer Conference | July 8-12, 2018

Duluth, Minnesota

At the westernmost tip of the world's greatest lake, Duluth is a place like no other. It is a city built on an international harbor where 1,000-foot ships glide into a romantic port under the majestic Aerial Lift Bridge.

Dubbed the *Best Outdoor City in America*, Duluth is known as a crown jewel of the Upper Midwest's many treasured getaway spots. For all its natural glory, unique culture and colorful history, the urban yet bucolic community is yours to discover and interpret on your own terms.

Conference Agenda

Expect a dynamic conference focused on "whole trust" management, the latest analytics and mapping technology, and mining, forestry, and water focused tours. The conference will culminate with a dinner cruise on Lake Superior.
