EDUCATION

FUTURE

Recognize academic programs fostering land management use and excellence.

Quarterly webinars and committee meeting opportunities:

- Royalty Policy working group education events, including a spring meeting.
- Asset Management to explore developing short, self guided training.
- Communications researching CPE credits.

2015/16 Strategic Initiatives

- ❖ Royalty Policy Working Group exploring Standard Data Sets among states to streamline nationwide reporting for Oil & Gas developers and operators.
- ❖ Engaging national BLM leadership to clarify problems with states seeking mutually beneficial land tenure adjustments.
- ❖ ACE Legislation

Goal #5 – National Leadership

2015/16 Strategic **Initiatives**

Spring 2016

A Different Kind of Conference

Monday, February 29 –
Members Only Reception

Tuesday, March 1 –
Federal Agency Presentations and Key
Issue Panels

Wednesday, March 2 –
State Hill Visits & Closing Reception
