

**Texas CMP Enforceable Policies** - The CMP's enforceable policies are detailed in 31 TAC §§501.15 -501.34. They are uniform, established, enforceable policies used by networked agencies to guide government decision making that may affect CNRAs. These policies do not impose or create new requirements beyond the existing legal authority of any state agency or local government and the policies may not be applied in a manner that would result in a taking, damage, or destruction of property without adequate compensation. Enforceable policies are central to implementing federal consistency. The applicable enforceable policies listed below must be addressed when conducting consistency reviews for projects proposed in the coastal zone.

- §501.15 Policy for Major Actions
- §501.16 Policies for Construction of Electric Generating and Transmission Facilities
- §501.17 Policies for Construction, Operation, and Maintenance of Oil and Gas Exploration and Production Facilities
