HOW TO CALCULATE YOUR POUNDS (Updated in April 2024)

How many bags did you give out?

of 13 gallon bags used = _____ X 7.5 = _____ pounds
(this size includes the yellow UP2U bags in the Coastal Bend)

of 5 gallon buckets used = _____ X 5 = _____ pounds

of 30 gallon bags used: _____ X 15 = _____ pounds

Regular car-sized tires are calculated at 15-20 pounds.

TOTAL POUNDS COLLECTED: _____ *(If you have your trash weighed off-site, please try to get that number to me by noon on Monday.)*

Weird Finds

THANK YOU!
