Instructions			
<p>The GLO is required to verify the legal status of all property owners and household members participating in the Program to prevent any federal public benefit from being provided to ineligible immigrants who entered the United States illegally or are otherwise unlawfully present in the country. Each household member/owner (or their authorized representative, if household member/owner is incapacitated or otherwise unable to complete the form) must sign and submit this form, stating their legal status and listing the documentation they will provide to substantiate their legal status. The refusal or inability to complete this form by or for a member of a household or owner may result in the household's ineligibility under the Program.</p> <p>The GLO is also required to verify the identity of all property owners and household members participating in the Program. Each household member/owner (or their authorized representative, if household member/owner is incapacitated or otherwise unable to provide documentation) must provide documentation of their identity to one of the GLO's Regional Offices on or before the pre-construction conference. The GLO may arrange home visits to verify the identity of homebound household members/owners.</p> <p>NOTICE: Pursuant to HUD Memorandum 25-03 (March 31, 2025) revisions to 90 Fed. Reg. 1754, the GLO will attempt to verify the legal status of the household member/owner named in this form through the Systematic Alien Verification for Entitlements (SAVE) system operated by the U.S. Citizenship and Immigration Services Verification Division of the Department of Homeland Security (DHS-USCIS). Additional information other than the documentation listed below for the named household member/owner may be required to complete the verification and must be provided to the GLO upon request.
