

Goliad Texas 24th Feby 1836
Most Respected friend

I again take the liberty
of adressing a few lines to you to let you know
that I am well at Present whoping that these
few lines may find you in the same. Our
Company has just returned to this from San
Patricio on the frontier of Texas & in a few days are
going to march. Bexar we have seen some
hard times in this Country for the last 2
month we have bee living Entirely on beef &
we are all most naked as we are cutting
up Tent Cloth to make us Pantaloons &
& Every man is his own Taylor in this Army
& a Good many of us are bare footed & want
of all the ~~refit~~ the Schooner that was bring
Provision & Clothes has been wrecked She was
from New Orleans & bound to Copingo & we all
undergo fatigue that we would not do if we were
in the U.S. & all for the Chance of up Tripping
a few mexicans & I did intend to return
to the United States at this time but there is a
force from Mexico of about 7000 men march
ing to retake this Country again & our whole
force at this time dont Exceed 800 men but
we are willing to meet them when ever
they arise there is no corn nor flour in
this Country I have not heard from any
of my friend since I left this Country
the U. States this is one of the most desirible
Climates that I have ever been in but I dont
like to leave my Country as more
at Present but Remains your Obedt
Good Bye J C Logan

To Mr. Austin
