All volunteers are advised to wear closed-toe shoes, bring sunscreen and plenty of drinking water. The Texas General Land Office Adopt-A-Beach cleanups are held rain or shine!

Texans who are not able to attend the cleanup can help keep their beaches clean by making a tax-deductible donation online at [www.TexasAdoptABeach.org](http://www.TexasAdoptABeach.org). There are several different Adopt-A-Beach sponsorship levels ranging from \$25 to \$25,000, allowing both individuals and corporations to contribute to this major cleanup effort.

The 2017 Texas General Land Office Adopt-A-Beach Fall Cleanup is sponsored by Apache, Schlumberger, Murphy Oil and Exploration Company, Flint Hills Resources, National Marine Sanctuary Foundation, the National Oceanic Atmospheric Administration (NOAA) and the Ocean Conservancy (in-kind sponsor).

Everyone who signs up online and checks in at their cleanup location will be entered to win an RTIC Soft Pack 20 cooler or one of three 64-ounce stainless steel bottles. The random drawing will take place after the cleanup. Winners will be contacted directly.

And don't forget, now you can support the Texas coast all year by purchasing the official Texas General Land Office Adopt-A-Beach specialty license plate. For every plate sale, the Adopt-A-Beach program receives a direct benefit that will help the program continue to grow, reduce litter on Texas beaches, and provide coastal environmental education to our youth.

The plate costs just \$30 in addition to regular vehicle fees, with \$22 used to support the Texas coastline. Personalized plates are also available for an extra \$40. In addition, the cost of purchasing the plate is considered a tax-deductible donation from you.
