Coastal Grant Funding Opportunity

Proposed projects must be located within the Texas coastal zone boundary and address at least one of the following: public access enhancement, data collection, coastal hazard and resiliency planning coastal resource improvements or be a project of special merit.

Applicants must provide a local or third-party match of 40% of the total project cost to comply with federal matching requirements. Match may be in the form of a "cash" match, "in-kind" match, or a combination thereof. Federal funds received directly or passed-through by a state agency, cannot be used as match.

Submission of a pre-proposal is mandatory. Pre-proposals are due by 5:00 p.m. on June 10, 2020. Applicants will receive notification of whether a project may be submitted as a final application. Upon invitation, applicants must submit final applications with supporting documentation by 5:00 p.m. on October 7, 2020.

The grant guidance and Cycle 26 application are available for download on the [GLO website](#) along with additional information.
