AUSTIN — Today Texas Land Commissioner George P. Bush announced the Texas General Land Office (GLO) approved \$400,454 in Hurricane Harvey disaster recovery grants for Lavaca County to make road improvements.

"Hurricane Harvey devastated communities across the Texas Coast," said Commissioner Bush. "These recovery funds are critical to improving local infrastructure that will protect lives, homes and businesses from future storms. We continue to work with our partners in communities across the region to leverage these resources efficiently and effectively to benefit Texans affected by Hurricane Harvey."

The road improvements will take place at the following locations:

- County Road (CR) 146 from 2,100 linear feet south of its intersection with CR 145 to 3,200 linear feet north of it
- CR 288 from CR 532 to CR 287
- CR 289 from FM 352 to approximately 2,257 linear feet north of the intersection
- CR 339 from the intersection with FM 966 to approximately 5,510 linear feet west
- Approximately 4,090 linear feet of CR 419

Texas GLO Hurricane Harvey Recovery Funds:

Commissioner George P. Bush and the Texas General Land Office was appointed by Governor Greg Abbott to lead the historic Hurricane Harvey housing recovery efforts funded by \$5.676 billion in Community Development Block Grant Disaster Recovery (CDBG-DR) funds from the U.S. Department of Housing and Urban Development.

The GLO allocated \$413 million of the allocation for infrastructure projects to protect communities affected by the storm. The GLO allocated the funds to regional Council of Governments' (COGs) based on a HUD approved needs assessment. The locally-led COGs then conducted methods of distribution (MODs) for determining infrastructure and buyout and acquisition amounts for cities and counties within each jurisdiction. COG boards are comprised of officials from the impacted communities elected in part to prioritize funds allocated for recovery programs. The MOD process requires public

engagement and the GLO reviewed each MOD for compliance with federal rules and requirements before approving each plan.
