Horseshoe Pitching Trophy Featured

LOUISVILLE, Ky. — Attention all you who have enjoyed horseshoe pitching as your favorite backyard sport! You'll be seeing an illustration of the top trophy of the sport in our paper soon — featured in Hill and Hill Kentucky Whiskey advertisements. It's the National Horseshoe Pitcher's Association World's Championship Cup!

This world's champion cup is given each year by the National Horseshoe Pitcher's Association to the winner of the tournament held in Murray, Utah. The man who received it — last year it was Guy Zimmerman of Danville, California — is the top horseshoe pitcher in America.

The sport of horseshoe pitching goes back to a time soon after the practice of shoeing horses was started by the ancient armies of Greece and Rome, but it was revolutionized in modern times by George May who, in 1920, changed the entire principle of horseshoe play and scoring. Seeing little point in concentrating merely upon getting close to the stake for one point, May decided to become a ringer specialist and get three points for his pitch. His new technique enabled him to ring the stake with amazing frequency — to win 24 straight games in 1920 and to walk away with the championship!

Town Talk

(Continued from Page 1) ing to take a back seat now that Texas Exes have a president of their organization right in our midst.

Frank Sheppard is the new president of the DeWitt-Lavaca organization and we don't think a better choice could have been made.

Frank will do an outstanding job in any spot in which he is placed.

The Cuero High Gobbler band is "on the March" according to a story appearing a couple of days ago in this newspaper, with the month of March to be a busy one for the organization.

We are anticipating more honors for Wendtland and his lads and lassies. They have a real reputation to live up to as result of past performances. Let's win more honors Gobblers.

Of interest to Cueroites is the news from Pearsall of the arrival of a son in the home of Dr. and Mrs. Emmett N. Wilson Feb. 21. Grandparents of the young man are Mr. and Mrs. W. M. Ratcliffe of San Antonio, and Mr. and Mrs. E. N. Wilson of Crockett, Mrs. Wilson being the former Evangeline Ratcliffe. The baby was given the name Michael Emmett.

Dress Rehearsal Today For Senior Class Play

Dress rehearsal for the Senior Class play, "Arsenic and Old Lace," will be held this afternoon, and, according to those who have been privileged to witness play practices, a real treat is in store for those who plan to attend performances scheduled for Monday and Tuesday.

A matinee for students will be at 1 p. m. Monday at the high school auditorium. Other presentations will be Monday and Tuesday evenings at 8 o'clock.

Reserved tickets will go on sale Monday at 9 a. m. in the office of Supt. E. B. Morrison at 25 cents each. Regular admission for adults is 50 cents and 35 cents for children.

The comedy tells the story of Abby and Martha Brewster whose parts will be taken by Florence Gawlik and Marilyn Mood, undoubtedly the two nicest little old ladies anyone would wish to know.

Their home is in Brooklyn in the center of a constant stream of good deeds performed by the two sisters.

In every way it would seem that Abby and Martha are Whistler's "Mother" come to life. However, they have one secret vice... they murder men.

It is Mortimer Brewster, a nephew (portrayed by Douglas Granberry), who unwittingly uncovers his aunts' secret profession. His discovery lights the fuse on a series of incidents and situations which have set audiences screaming with laughter and shivering with excitement wherever the play has been shown not only in America, but in other countries.

Others in the cast are Danny Parks who takes two parts, Ed

gram. In addition, McLarty was served with a subpoena to appear before the Kleberg County Grand Jury to testify concerning land sales to veterans in that locality.

In Austin his attorney, Everett Looney, said that McLarty would appear voluntarily before the legislative committee to testify. He is to be before the Senate committee on March 8th and before the House committee on March 10th. His subpoena for the Kleberg grand jury is also for March 8th, the same day he is to appear for the Senate committee.

McLarty, under 21 indictments here charging forgery and falsifying interpreting a written instrument, was accompanied to Cuero by an agent of the Continental Casualty Bonding company of Dallas, who posted his \$26,400 bond.

Barbara Egg Wins Recognition

The Homemaker of Tomorrow in the Cuero High School is Barbara Egg.

She received the highest score in a written examination which tested the homemaking knowledge and attitudes of the senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow. She received a gold award pin, cook books for herself and the school.

The national winner in this search conducted among 187,000 young women in 8,000 of the nation's public, private and parochial high schools will be named April 21 at an American table fete in Philadelphia.

A national food manufacturer is the sponsor of this program designed to assist school in building in young women a deeper appreciation and understanding of the American home and the personal qualities necessary to successful homemaking.

A scholarship of \$1,500 will be awarded each state winner, and she will receive a trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and Philadelphia. Her school will receive a set of the Encyclopedia Britannica.
